

## **Graham Cracker House Workshop**

**Friday, December 7, 2018 at 5:00 – 6:30pm**

**Village Hall, 10543 Main St, North Collins, NY**

**Reservations Required, 337-3160**

*All Ages Are Welcome: Limit of 30 houses will be built.*

Building graham cracker houses is one of our favorite traditions. The results are always delicious, but children are challenged to make a house that is beautiful as well as structurally sound. All materials are provided.

This is a family activity; younger children will need help.
